

## KK Mini Baler

This compact baler with its sturdy steel construction and unique drive mechanism fits neatly into any confined working area, making it the ideal machine for small commercial and retail outlets. The wide loading aperture, fast cycle time and high compaction ratio, produces dense bales of cardboard and plastic. Bales weighing between 30 and 60 kg can then be easily handled for disposal / recycling.

### OPTIONS/ACCESSORIES

Waterproof Hood, Bale Trolley

TECHNICAL INFORMATION	
Suitable applications	Paper, Card, Plastic, Cloth, Polystyrene 5 Litre Paint Tins
Width	850 mm
Depth	760 mm
Height	2255 mm
Depth	1515 mm (With Door Open)
Machine Weight	350 kg
Feed Aperture	W 780 X H 450 mm
Bale Dimensions	W 550 X L 750 X H 600 mm
Bale Weight	30 – 60 kg
Compaction Force	6 Tons
Working Cycle	27 Seconds
Motor Rating	1.5 kw
Electrical Supply	13 AMP, Single Phase, 240 V
